

Dr. Org Strauss - Testimonial

I have been using the Nu Skin products for the past 30 days and I have experienced a great improvement in everyday energy, performance and general wellbeing.

I am using lifepak nano, Cordymax, Overdrive and g3 juice.

I have more energy during the day, I also have no sinusitis problems or hay fever which I experienced in previous years.

My personal best times on certain running activities has improved a lot the last couple of weeks.

Being a medical doctor myself I have knowledge of different kinds of health products and Nu Skin has blown me away.

My antioxidant score has improved from 14 000 to 27 000 in 30 days.

I can recommend these products to anyone who is serious about their health with great confidence.
